## SENIORS' FAREWELL

Here we are Seniors, approaching the time when we will no longer be a part of the student body of Lyons High School.

I'm sure we can't honestly say we have loved every minute of it but we can say there have been many good times and fond memories never to be forgotten.

Remember the first day of school when we received our class rings? Many of us could hardly wait to exchange them with "that special someone." And there were many times we all sat together in the front of the auditorium envied by all the underclassmen as we marched out ahead of them. We'll never forget the thrill and excitement during football playoffs and basketball tournaments. Also the Senior football game, even though it didn't turn out quite like we would have liked for it to. The Senior play was loads of fun for everyone. The anxiety of graduation has been wide-spread and may be regretted later by many of us. All these memories, good and bad, will be cherished through the years. We all have our own personal memories too. No matter how long we stay away from Lyons High School these and other memories will stay with us, and keep us close, though we may be many miles apart.

In a few weeks we will all be going on our own separate ways, many of us never to meet again. Some of us will be successful and some of us will be unsuccessful, just as it has been in our school days together. However, we can be sure that we are better prepared to meet the future than many others before us. It is up to each one of us to make the best of our abilities and be a success in life.

Good Luck and May God Bless You.

### JUNIOR-SENIOR DANCE

The Lyons High School Juniors entertained the Seniors and their dates at the annual Junior-Senior Dance Friday night, May 15, in the high school gym. The theme for this year's dance was "Fantasy of the Sea." The gym was decorated to give the appearance of an underwater scene with fish, shells and coral. The tables, placed around the dance floor, had green fish place cards and sea shells made on chains were used as favors.

The girls' dresses portrayed all the colors of the rainbow and the boys were very suave in their white dinner coats and dark coats. Everyone danced to the music of Lefty Gandy.

The Lyons Board Staff congratulates the Juniors on a job well done.
