PAUSE A MOMENT, CONTEMPLATE YOUR
BLESSINGS, GIVE THANKS FOR THEM

In the fall of 1621 Governor William Bradford of Plymouth Colony designated the last Thursday in November as the day when the Pilgrims would feast and give thanks for their first successful year on American soil. These Pilgrims were conscious that they had received boundless blessings for which to be thankful.

In the succeeding years the same day was set aside for this purpose until it soon became a tradition. We have always known the last Thursday in November as Thanksgiving Day. Surely it will be so as long as there is an America.

We all know of the tremendous advancement America has made since that day in 1621. We have become the greatest power on earth, and we trust that we shall maintain our position. God grant that we always will be a power for peace.

Perhaps we sometimes forget that it was not always like this. History reveals long periods of oppression and restriction. We as a native have had to battle for freedom. Many wars have been fought to preserve our freedom. Many of us have helped fight two wars within fifteen years. More have been involved in one. Now for the first time in many years the entire world is free from battle. May it be God's will that there be no more, that the last war was truly "the war to end all wars."

This Thanksgiving Day let us suggest that each of us take time out to give thanks to our Creator. Let us seek to lend a helping hand to our neighbor, whether he be across the street or across the sea. May we reverently ask that we be allowed to live in perfect and permanent harmony with all nations throughout the entire world. Let us be thankful for all the blessings we have.

For food, shelter, for hearth;
good home and love, For herds,
sweet flowers, the cooing of a
dove, As year by year we meet
in festive scenes help us to
know just what Thanksgiving means,
and on the day of days, in bright
November, Help us be true and
heritage remember, and strive each
year for higher, nobler living--
Giving thanks to God, on this our
Thanksgiving.

DRAMA

Drama has been added to this year's curriculum in addition to the regular subjects. This class is for the purpose of training students in acting, speaking, and reading plays Mrs. Frank Murchison is teaching the class.

So far the drama class has put on two plays. The first play was "Aunt Miranda's Will." The cast included:

The second play was "Polly Put The Kettle On." Cast:

The plays were very successful and everyone enjoyed them. We hope to put on one more play before Thanksgiving holidays.

SHORTER COLLEGE CHOIR

On November 12, the students and faculty of Lyons had a fine group the Shorter College Choir, to sing for them. In assembly they sang several selections from religious and classical favorites. The choir was enjoyed by all and we hope next year they will visit and sing for us again.

MYSTERY TEACHER

The mystery teacher for this month is a woman. She is of medium height and has dark hair and blue eyes. She has three children, two of whom attend High School. She enjoys working all the time and is an excellent cook and seamstress. She also enjoys helping others learn to cook and sew.

MYSTERY STUDENT

The mystery student for this six weeks is a boy. He is a senior and an exceptional fellow. He has brown hair and blue eyes. He is a member of the Beta Club. He has a friendly personality and is a likeable person. He loves to hunt and play ball. He is a prominent member of the church he attends.

FASHION FLAIR

Cold weather has come and with it has come the new winter fashions. Co-ordinate wool skirts and sweaters in many new variety colors seem to be very popular. Everywhere you look you see girls in fur-collared coats, either of olive green or beige, suede jackets, and blazers. They all feel good on these cold winter mornings.

Loafers in brown, black, and wine are comfortable and in great demand also. Pocketbooks of madras or leather-trimmed are used by most of the girls.

BOY'S FASHIONS

This month the most popular shirt is made of 100% cotton, and has a button-down collar. The most popular colors are auburn and cranberry red.

The most popular pants are made of Bedford or Chino cotton. Another pair of trousers that is very popular is made of only 65% cotton. These are cuffless and beltless. The hip-length jackets and sweaters of all colors are most popular and very much in style.

NEW BOOKS IN LIBRARY

The library is receiving some very good and timely new books now. If you have not had an opportunity to look them over come in, browse around, and see for yourself. This invitation is extended to students and teachers.

HOME COMING

We were really looking forward to homecoming this year because this game determined whether or not we would be 2B West Champs. WE ARE and that's just great. The score was Lyons 10 Hawkinsville 9.

One of the things we think boosted the spirit was our big homecoming parade. We think this was one of the biggest parades we've ever had. The parade consisted of floats, cars, homecoming court, band and cheerleaders. Places were given to the three best floats and they are as follows:

- 3rd Place D.C.T.
- 2nd Place . . .Industrial Arts and School Patrol
- 1ST PLACE F.F.A.-F.H.A.

We were very proud of these floats. They were very pretty.

There were eight girls on the homecoming court. They were as follows:

- Lorraine Kavakos
- Anne Horne
- Jackie Patterson
- Lou Ann Lanier
- Delaine Mayes
- Amelia McLain
- Linda Keen
- Deloris Thompson

The Queen and Princess were chosen by secret ballot by the student body. The Queen was Deloris Thompson and the Princess was Jackie Patterson. Congratulations.

We would like to say thank you to all those who made our homecoming possible and many congratulations to our outstanding football team for playing a wonderful game!

Blades of Grass

In heaven,
Some little blades of grass
Stood before God.
"What did you do?"
Then all save one of the little blades
Began eagerly to relate
The merits of their lives.
This one stayed a little way behind,
Ashamed,
Presently, God said,
"And what did you do?"
The little blade answered, "Oh, my Lord,
Memory is bitter to me,
For if I do good deeds,
I know not of them."
Then God, in all His splendor,
Arose from his throne.
"Oh, best little blade of grass!"
He said.

A couple wanted to get married in a hurry. The man, a soldier on a forty-eight hour pass, took his bride to the minister. "Impossible said the clergyman, even a special license would take too long." "Well, suggested the soldier," couldn't you just say a few words to tide use over the week end?"

Guy: Where'll we go?
Gal: Let's go to my house.
Guy: Are your mother and father home?
Gal: Nope.
Guy: Is your brother home?
Gal: Nope. Nobody's home.
Guy: Who'll we talk to?

"Whatever happened to that stupid blonde your husband used to run around with?"
"I dyed my hair."

Those foreign cars are getting so small, I put out my hand to turn a corner and one of 'em ran up my sleeve.

A cab driver who knocked down a pedestrian was being bawled out by a cop. "Wassamatter," the officer yelled, "Ya blind?" "Wassamatter," replied the cabbie, "I hit her, didn't I?"

A parson phoned the local board of health and asked that a dead mule be removed from the highway.

The clerk who took the call thought it would be a bit clever, and said, "I thought you ministers took care of the dead."

"We do, retorted the minister, "but first we get in touch with the relatives."

In a country home without a maid and seldom a guest, the young son was anxious to help his mother when his father appeared with two dinner guests from the office.

When the dinner was nearly over, the boy went to the kitchen and proudly carried in the first piece of apple pie, giving it to

his father, who passed it to a guest.

The boy came in with a second piece of apple pie and gave it to his father who again gave it to a guest.

This was too much for the boy, who said: "It's no use, Dad. The pieces are all the same size."

A hillbilly grandfather was laboriously writing a letter, "Lucifer," he said, "How do you spell 'rat'?" That's easy, Grandpa," replied Lucifer. "r-a-t." "Naw, I don't mean mousey rat, I mean rat now!"

James: Did I tell you about the time I came face to face with a lion?

Sue: No, what happened?

James: Well, there I stood without a gun. The lion growled and crept closer----closer----closer.

Sue: Gosh, what did you do?

James: I moved on to the next cage.

Coach Craft: If the head of the U.S. is called President, the head of England is called Queen, what is the head of Nova Scotia called?

Jan: Boss-a-Nova.

Mrs. Gibbs: Who was the world's fastest runner?

Curtis: Adam, he was first in the human race.

A tree: Something that will stand by the side of the road for fifty years and then suddenly jump in front of a woman driver.

Dell: Why do elephants paint their toenails red?

Richard: So they can hide in the strawberry patch!

Carol (holding up her little finger): Why doesn't a piano player use this little finger?

Sandra: I don't know.

Carol: Because it's not his-----it's mine!
