WHY SEEK YE THE LIVING AMONG THE DEAD?
HE IS NOT HERE, BUT IS RISEN.
ST. LUKE 24:5-6

Like many seasonal festive occasions, Easter has come to be an important social as well as a religious occasion. Easter is one of the oldest and most universal of all Christian holidays. Behind it lie stories of human hope and a belief in a life after our physical death. The essence of all religions- Whether Christian, non-Christian, or "pagan"- is belief in a supreme power that has control of life and death.

And what could be more natural? "Hope springs eternal in the human breast." The Easter season is the season of hope. It is then that human beings see physical evidence of a continuation of life which all men-whether they believe in a life after death or not- hope will be true in their case.

Like most holidays, it is of great interest for children. However, the real significance and beauty of the occasion can be fully appreciated only by more mature minds. Easter has come to be almost synonymous with "Resurrection." The Easter celebration is universal in all Christian lands, and is held to commemorate the resurrection of Jesus, after He had been crucified and had lain in the tomb for three days.

As in the case with most of our festive days, many unique customs and superstitions have grown up around Easter. The most common and interesting of these is the Easter egg and the Easter rabbit. Whatever the source of the custom, Easter-eggs are an inseparable part of our modern Easter celebration.

Being primarily a religious festival, of course the Easter services in the churches are most outstanding of Easter activities. The habit of wearing new clothes on Easter Sunday originated as a duty rather than a luxury. It was a symbol of new life in nature to have on new clothes for the Easter festivities. Nature was putting on a new dress-men and women should do likewise.

These and many other customs and superstitions accompany the Easter season. And although many of them may be wholly legendary, they are here to remind us that the occasion has come to mean a great deal to Christian peoples all over the world.

EVALUATION APRIL 17, 18, and 19

Each high school in order to be accredited by the Southern Association must be evaluated every five years. This is the year that Lyons High School must have its evaluation. The teachers have been working on this since September and are expecting the committee to be here April 17-19. They will visit in various classes and talk with parents, students, and teachers.

This can be very helpful because it will point out our weak points as well as show us our strong points.

The evaluation is done by educators from surrounding schools. The following philosophy and objectives will be used:

PHILOSOPHY: We believe that an educational program should assist pupils in making adjustments to changing conditions and in achieving their maximum development.

We feel that through the cooperation of the school and community the total program should provide learning experiences that will help pupils in solving their problems and in becoming more worthy and contributing members in a democratic society.

OBJECTIVES: (1) To plan a flexible program that will provide for the development of the individual to his fullest capacity, physically, mentally, emotionally, morally, socially and spiritually. (2) To provide learning experiences based upon interests and needs of the individual child. (3) To help the pupil to recognize his strengths and weaknesses and make appropriate adjustments and application. (4) To cultivate in the student the appreciation for arts, literature, music and other aesthetic values. (5) To develop fundamental basic skills that will help each child obtain his highest potentialities. (6) To provide a functional program of health education.

The committee will consist of the following people: Mr. Barney Davis, Principal of Montgomery County High School, Mt. Vernon. Mr. E. L. Kelly, Principal of Soperton High School, Soperton. Mr. Joe Williamson, Principal of Evans County High School, Claxton. Mrs. Clyde Rountree, Librarian, Vidalia. Mrs. George Brinson, Librarian, Toombs Central School. Dr. William Hitchcock, Director of Guidance, Georgia Southern College. Mrs. Lurline Lee, Curriculum Director, of Hazlehurst. Mr. Sidney Jenkins, Area Supervisor, State Department of Education, Newington. Mr. W. C. Fordham, Principal, Swainsboro High School, Swainsboro.

The Staff would like to extend a very cordial welcome to all of these outstanding people.

GRADUATION PLANS ANNOUNCED

Dr. Jones has announced the following plans concerning graduation activities.

On Sunday night, May 26, at 8:00 p.m. Dr. Guy N. Atkinson, a Baptist minister and President of Norman College, Norman Park, Georgia will deliver the Baccalaureate sermon. There will not be any services in the churches of Lyons on this night.

N. G. Reeves, Judge of City Court of Soperton, will deliver the Graduating Address on Thursday night, May 30, at 8 p.m.

There are 73 members of the Senior class. They will take their test one week early and spend the last week practicing for graduation.

TO THE SENIORS

The time is drawing near for graduation. We would like to give a little word of advice to the Seniors. It is especially important for you to pass all your subjects. So get busy and prove to yourself that you can do it.

WELCOME STUDENTS & TEACHERS

Teaching in the Home Economics Department under the direction of Mrs. Brogdon, we have Miss Sandra Jo Hilton daughter of Mr. & Mrs. Carlos Hilton of Brunswick. Miss Hilton is 21 years old. She attended Georgia Southern College where she majored in Home Ec. Miss Hilton was recently notified that she was the recipient of the GHEA-AHEA college membership. She received this membership and college distinction because of her active participation in both Home Economics activities and other school activities. Her hobbies are sewing, cooking, swimming, tennis, dancing, and music.

In the English Department under the direction of Mrs. Davis, we have Mrs. Frank Glover. She is 25 years old and attended Georgia Southern and Troy State. She lives in Soperton where her husband is basketball coach. They have two daughters and a son. Mrs. Glover is a member of the Soperton First Baptist Church. Her hobbies are reading, sewing, and bridge. Her favorite foreign language is German.

Mr. Charles Dawkins from Swainsboro is teaching in the Athletic Department under the direction of Coach Jacky Jones. He attended Middle Georgia and Georgia Southern, where he majored in Health and Physical Education. When he graduates, he plans to enter the teaching profession. His hobbies include tennis, swimming, all outdoor athletics and (girls).

By the way, Mr. Dawkins is looking for a girlfriend.

LOVE

The Greeks had four words for love. One word (storge) described love between children and parents. Another (eros) described the love between husband and wife. A third word (philia) described the warm tender affection that one friend had for another.

But the Greek word used in the New Testament to describe the Christian love is difficult to translate. The word agape (pronounced ah-gali-pay) is probably best translated "self-giving devotion and dedication to God and man."

The first three words describe a love that comes naturally. Parents and children automatically love each other. A man and a woman are said to fall in love before marriage. Close friends are naturally affectionate toward each other.

But Christian love is a love that we have to work at. It is a love that turns the other cheek and goes the second mile. It is a love that forgets about one's feelings and rights. It is a love that concentrates so much on giving that it forgets about getting.

Christian love loves the unlovely. It never loves to be loved back. A Christian's love for other never depends on what they are. It never depends on what others do to the Christian nor what they do for him. This is a love that we have to work at every day.

MISS TOOMBS COUNTY FORESTRY QUEEN
1962-1963

Miss Evelle Gibbs was crowned Miss Toombs County Forestry Queen here Saturday night. She was crowned by Miss Susan Brown. Miss Mary Elizabeth Lankford was runner-up.

The 16-year-old high school junior from Lyons was chosen from a field of 19 contestants. Queen Gibbs will enter the Miss Georgia Forestry Contest at Jekyll Island, June 12-13. The event is part of the annual meeting of the Georgia Forestry Association.

Miss Gibbs is a general major in high school. Following graduation, she plans to enter Florida State University in Gainesville and major in Science.

The queen is a member of the Beta Club, L-Club, and Science Club. Her hobbies include basketball, music and swimming.

The Queen's court included Mary Elizabeth Lankford and Catherine Stanley.

Miss Gibbs is the daughter of Mr. and Mrs. Wilbur Gibbs.

FAY: Gosh! This story is about a man who lives on onions alone!

MAY: Well, anyone who lives on onions ought to live alone.

EVA: What's black and white and red all over?

AVA: An embarrassed zebra!

WOODS SCHOLARSHIP OFFERED IN COUNTY

The Continental Woodlands Division of Continental Can Company, Inc. with Division Office in Savannah has announced its scholarship program for 1963 of providing two forestry scholarships. Each scholarship is for \$1,000 per year for four years of study in the field of professional forestry, or a total of \$4,000 each.

This is the 10th consecutive year that the company has offered similar scholarships to the outstanding high school graduates in Georgia, South Carolina, North Carolina and Virginia. To be eligible for this scholarship an applicant must be a resident of a county with Continental Can Company land ownership or procures pulpwood.

In addition to the above scholarships, Continental Can Company Inc. will for the first time award two \$1,000 graduate fellowships to outstanding graduating foresters. The applicant must have graduated from an accredited School of Forestry.

These awards are being made to encourage qualified individuals in the fields of Forest Entomology or Forest Pathology. The student selected for these awards may choose the graduate schools at either the University of Georgia or North Carolina State College.

Also for the first time Continental will award two \$500 senior scholarships. These awards will be given to two outstanding seniors, one at the University of Georgia and the other at North Carolina State College.

We hope that one of our senior boys will be lucky enough to receive one.

GOOD LUCK TO YOU BOYS!!!!!!!!!!!!

The Lyons Redcoat Band got their band jackets a week before last. They are all very proud of them and you can't blame them-- they've earned them.

The band has been invited to go to Thomasville Ga. on April 26 where they will march in the Rose Parade.

From Thomasville the band got on that long put off band trip which they have at last gotten. They go to Jacksonville Fla. where they will have a week-end of pleasure, and come back on Sunday.

The band and especially myself are looking forward to this trip and thanks to the Bandboosters, Mr. Rogers and all who have made this trip possible.

F.T.A. & STUDENT COUNCIL

The Lyons F.T.A. met jointly with the Student Council, March 13, 1963, for a discussion of the "LITTLE MISS LYONS" contest. Robert Brown, president of the Student Council, presided.

The following things were decided:

Girls of pre-school age and through the fourth grade are eligible.

There will be no escorts.

Winner will receive a rabbit and a crown and the runner-up a rabbit.

The committee chairman then named off the people on their committee.

After everyone was on a committee the meeting was adjourned.

MAN SEES YOUR ACTIONS, BUT GOD YOUR MOTIVES.

NO NEEDLE IS SHARP AT BOTH ENDS.

The election will be at a social three weeks from this date.

Darrell Amerson, Reporter

BIG SISTER: How do you like art class?

LITTLE SISTER: Fine, but I wish I had a smarter teacher. Today I drew a horse and she didn't even know what it was; I had to tell her.

POLLY: It's said that in ten years measles will be unknown.

SONNY: What a rish prediction!

The Hi-Y club met April 10, for its monthly meeting. Projects for the next month were to attend Epworth by the Sea at Epworth Simons. The boys attending Epworth are Larry Wilkes, Phillip Odom, Larry Wooten, Chris Matheson, and Chip Matheson. Other projects for this month are to attend Sunrise Services at the Lakeview Memorial Gardens Easter Sunday morning, and to make posters concerning the use of alcohol. Two members of the club attended Youth Assembly in Atlanta on March 27-28-29. Mr. Ross Bowen went along with Phillip Odom, and Benny Trapnell.

F.T.A.

The Lyons High School F.T.A. held their monthly meeting fourth period March 13, 1963.

We discussed the State Convention and the delegates who were to represent us in Atlanta. Susan Smith was selected to play a piano piece as a relaxer between speeches. The club is to pay for all expenses except for one meal.

The club made a motion that we go to an all meeting for Future Teachers at Statesboro on April 11. The motion was second and carried and carried. Each member is to take 65¢ for one meal. The meeting is to be held at Georgia Southern College.

Having discussed these things the 8th meeting of Lyons Future Teachers of America came to a close.

One day a very worried-looking man knocked at Mrs. Marshall's door. "I'm terribly sorry, lady," he said sadly, "but I have just run over your cat and I'd like to replace it." "Well," said Mrs. Marshall, "that's all right with me. But how good are you at catching mice?"

Mrs. Price, our librarian, and Mrs. Dorris Stanley, a library friend, carried eight of our library assistants to Sylvania to G.A.L.A. DISTRICT MEETING on March 7. The meeting was held in the beautiful auditorium of the Sylvania High School. The program was given by Miller High School's Assistants and was Miller's One Act Play that was given in the district contest this year. It was really enjoyed by everyone. About one hundred assistants and their librarians attended. Officers for the coming school year, 1963-64, were elected. Lyons High School was honored to have Ann Hughes elected as secretary of district G.A.L.A. An invitation from Lyons High School to have 1963 fall meeting was accepted so our girls are looking forward to acting as hostesses next October.

Our library is happy to announce some new books are still arriving. Come in, browse around and find what you want and need. If you cannot locate what you are looking for let one of us help you.

We want to especially call your attention to the Literary map of Georgia. Look at it, study it, and it will give you a sense of state pride that you need. Lets learn more about our state literary talent.

BETA CLUB

On Saturday, March 13, the Lyons Beta Club held an Easter Car Wash at the Shell Service Station. It was discovered that most of the members are quite talented when it comes to washing cars. Those who turned a car over to us report that we did an excellent job.

We were kept busy and it turned out to be a very profitable day. The work was hard and every one went home wet, but all in all, we wouldn't have missed it for anything.

Three lovely little misses were crowned queens in the Little Miss Lyons Easter Parade on Friday night, April 12, in the high school auditorium. The three queens and runners-up were:

Pre-school queen-Nichole Waters
runner-up-Sue McArthur
First and Second grades queen-Pam Culpepper
runner-up-Lynn Alexander

Each runner-up was presented an Easter bunny and each queen received an Easter bunny and a tiara.

Out of town judges praised the pretty contestants, and found it difficult to choose one "fairest of all."

The Future Teachers and Student Council thank everyone who helped make this a most delightful and successful event.

DEAR AMY

1. What do you think about going dutch on a date?
For a steady couple it is O.K., but somebody that's just going out on their 2nd or 3rd time with the boy, it isn't right. It might get to be a habit.
2. Should you let a boy kiss you on your first date with him?
It depends on how well you know the boy.
3. What do you think about a girl running after a boy?
A boy will think more of the girl if she lets him make the first move.
4. Do you think it is proper for a boy to come over one night a week and on week-ends?
It is alright, but no more unless you are going to a social event.
5. What do you think about a girl smoking?
I don't think it looks nice for a girl to smoke.

FOOTBALL BANQUET

The 1962-63 Football Banquet was held March 26, at the Lyons Grammar School Lunchroom.

We had a wonderful speaker-Crook Smith, who is known throughout this area as a great athlete. He gave us some fine points on our character as well as being a good athlete.

After his talk, we had the presentation of awards.

The football trophies were given out by the Piggly Wiggly. Dr. Jones presented Larry Toole with the best-lineman of the year, and Speck Nobles with the best back of the year.

The City Pharmacy gave the basketball trophies. Teddy Kovakos presented Nadine Bryson with the best forward trophy, and Gwen Gibbs as the best guard. Randy Grimm received the best boys basketball player.

The Lyons Booster Club finished up with the trophy of the best all around athlete.

Each Senior Athlete received an award pertaining to their sport.

SENIOR FOOTBALL PLAYERS:

GEORGE MOYE
CHARLES NOBLES

Z--Zero. The usual end.

SPRING PRACTICE

Spring football practice was climaxed on March 20 with a varsity vs. Senior game. It ended four weeks of practice with 32 of the 38 boys that started practice, participating in the spring game. From the looks of practice and the game, Lyons should turn up with a winning season next year and the years to come. Our team has more experience at certain positions than it had last year. Although it isn't the biggest team Lyons ever had it should be a good one. The moral of the boys is very high and they have as much desire and hustle as any team. One last note we would like to mention; on the last day of Spring Practice, Jimmy Sikes broke his leg. All the players want to wish him a speedy recovery.

Once upon a time during a solo of the Blue Moon, a swinging little space ship ventured forth into a place called Far Out. Inside the ship was a crazy little man of the green skin sector. Inside this man was a little blue rock. From the rock sounded only the mellowest notes of Brubeck and Kenton.

As you may have perceived, this cat was not as ordinary as little green men run. After all it isn't everyday that you meet a little green man containing a rock that utters strains of progressiveness. But that's beside the point. The point is that his whole mad tale is from hunger.

The little green man whom we shall dub Og was making the most of it in outer nowhere. Og reached to his Hi-Fi and out came the solid sound of Miles Davis. These wild notes came from a far-off place called Earth. Then before he could say, "Jay and Kai" there arrived a crunch of the sickest type.

"This ship is the gonest," said Og, pulling himself from the wreck. He had crashed on the Planet Pop. A group of red skinned Boppoans made the scene. Og knew these cats were primitive hostile, vicious; they were Rock'n Rollers.

The leader stepped forward. Og scanned the leader's threads. He wore a black leather jacket and a Elvis Presley Button which he had hung around his neck. "My name's Cahop," said the leader. "This is Bahop, Dahop, Fahop, Gahop, and Snerd."

"Snerd?" Asked Og. "Yea, Man," said the leader. "He's a country fan but he swings!"

"What made my ship missa beat like that?" Asked Og.

"Hoo Haa!" said Cahop. "We did it, man, with our switch blade bear."

"I perceive," said Og, "that you are about to destroy progressive fans."

"Crazy!" said Cahop. "We'll start with you. Get his bluerock he can't live without Brubeck and Kenton."

I don't dig this scene at all, thought Og (who incidentally was from Prog, which is short for progressive). He whipped out his superduper--oo--hob--she--so--zat--disentergrater pistol, and before you could say Gerry Mulligan has big feet, the Boppoans were nowhere.

Then the crazy green man was the only being left on the planet as he had no way to depart, he starved to death. Like we said, this tale is from hunger.....The lovin' End.....

LITTLE MISS LYONS EASTER PARADE

Friday, April 12, is an important date for all the young ladies of Lyons. On this date at 7:30 in the Lyons High School auditorium three queens and three runners-up will be chosen. A queen and runner-up will be chosen from each of three groups, the first group including preschool, the second group including grades one and two, and the third group, grades three and four.

This is the third year that the Future Teachers Club and the Student Council have presented the young set in this delightful event.

Many have said that these young ladies in their Easter outfits provide choice viewing. This beauty extravaganza is a treat that everyone will enjoy, so be sure to come.

Mrs. J.C. Wilkes is sponsor for the Student Council and Mrs. A.B. Davis is sponsor of P.T.A.

Proceeds from this Easter parade of beauties will be used for a scholarship fund and for school projects.

Entry forms may be obtained from City Pharmacy in Lyons. The sponsoring clubs hope that all girls within these age groups will participate.

Be nice to people on your way up because you'll meet them on your way down.

Are you an active member the kind that would be missed, or are you just contented that your name is on the list?

Do you attend the meetings and mingle with the flock, or do you stay at home to criticize and knock?

Do you take an active part to help the work along, or are you satisfied to only just belong?

Do you ever go to visit a member who is sick or leave the work to just a few and talk about the "Clique?"

Think this over, member, you know right from wrong, are you an active member or do you just belong?

THIS POEM IS VERY TRUE OF MANY STUDENTS IN LHS. DOES IT FIT YOU? *****

TRACK

Track season is just getting under way. There are a good many boys out for track this year and the Bulldogs should have a pretty good team. The Bulldogs have had only two meets, both with Montgomery County and came out on the bottom both times.

BASEBALL

It is spring and that means only one thing to most boys around L.H.S. that is "Baseball!" This year the Bulldogs will have lots of experience after a fine season last year with hardly no experience. The Bulldogs have had one game against E.C.I. The first few innings were well played, and Joe Grimm was the big man of the game for L.H.S., with a two run homer. In the last two innings E.C.I. got lucky and scored seven runs and won by a score of seven to six.

GOOD LUCK !

The Lyons D.C.T. Club plans a gala affair on April 30, 1963 with tentative plans of a hamburger cookout and a swimming party at the home of Mr. Powell Collins, D.C.T. co-ordinator.

President Tommy Clifton said the menu for the social event would consist of charcoal hamburgers, iced tea, toss salad potato chips.

The club voted to invite one guest each to the social event.

FADS AND FASHIONS

"Spring has Sprung!" The outlook is very bright for Culottes and wrap-around skirt. They range from black to the brightest colors.

How many of you are wearing yellow or pink for Easter? Yellow, Pink??? Yes, they are going to be the most popular colors. It's really a change from the traditional navy blue everyone used to wear!

Tired of white accessories?? Well, do something about it! Live dangerous--get print shoes and matching bag or blue, red, green it's considered "in".

You don't want to have a long lonely Spring do you? If you don't them ease up on makeup. You don't have to look like a ghost neither do you have to look like a clown.

JOKES

"Now Billy," coaxed Mama. "Be a good boy, say 'Ah-h-h,' so the nasty doctor can get his finger out of your mouth."

He: "Would you like to dance?"
She: Oh, I'd love to !"
He: Just sit right there. Maybe someone will ask you."
