1963

SEATED: Camille Holland . . . Treasurer; Ann Odom . . . Editor; Sue Spell . . . Associate Editor. STANDING: Betty Parker . . . Art Editor; Mrs. Murchison . . . Advisor; Gayle

The class of 1962-63 exits from the wonderland of high school. Each senior will cherish the Mastiff, a book of memories, filled with glorious and eventful activities of the year. The Staff breathes a sigh of relief because the annual has been completed and we also shed a laughing tear as we bid farewell to our Alma Mater.

DEDICATION

Not merely because of her achievements in her profession, though they have been worthy--

But because of her rich, warm personality, her humor, her qualities of sympathy and understanding, and the ideals which she inspires,

We, the Seniors of 1963, dedicate the MAS - TIFF to . . .

Dr. Sam P. Jones--Principal

Greetings to the Senior Class of 1963:

I want to congratulate you on a job well done. Back in 1951 you entered upon a twelve year assignment, and you have stuck to that assignment through the good days and the bad until you can say with pride, MISSION ACCOMPLISHED. I sincerely hope that you will not feel, that in this business of learning you have ARRIVED, but that you will realize that all of life is a continuous learning process, and that in finishing high school you have acquired the tools for further learning, whether it be in institutions of higher learning, or wherever you go from here.

It is my hope that all the activities and events shown between the covers of this book, "The Mastiff," will furnish you a great deal of pleasure and satisfaction and that they will remain with you always.

The Student Council is a representative body made up of one representative from each homeroom plus officers and hold over members elected in the Spring for the following year.

The council is not considered a club or a social organization. It does not compete with other organizations for membership or credit. It carries responsibility and is respected by the faculty and the students which it represents.

It is primarily a service organization, aiding the school in such projects as: College Day, the Honor Roll, and the Star Student Program, Homecoming, and scholarship awards.

Honesty, Justice, Service, Cooperation, Responsibility, Industriousness, Humility, Charity: These are the foundations of the BETA CLUB represented by the eight points on our club's shield.

The BETA CLUB is an achievement-service organization dedicated to the promotion of scholarship. We endeavor to accomplish this through a number of service projects. Among them are: The establishment of a JUNIOR BETA CLUB. Aids to the honor students of each class. Purchasing the honor graduate tassels. Holding a career night for the schools of this area.

This is your BETA CLUB; leading by serving others.

SCIENCE CLUB

Sponsor
Mr. James H. Collins

Mabel Kight, Reporter; Benny Trapnell, President Don Carter, Vice President; Glenda Robinson, Secretary.

The Science Club attempts to further interest in science by sponsoring an annual science fair. The high school and grammar school participate, and prizes are offered to those students exhibiting outstanding work.

Membership in the club is open to all students taking a math or science course in school. Each year, as a fund raising project, the Science Club members operate the concession stand at all home basketball games. Occasionally, members are taken on tours of such interesting places as the Savannah River Project and the Dixie Sugar Refinery Plant.

The Lyons Roar strives to be informative to the students as well as entertaining. It is made up of students who are willing to work hard at putting out a good school paper. It is published approximately six times a year and contains such items as club and class news, special events, messages from the principal, and some very good jokes and cartoons.

The Lyons Roar sends copies of the paper to other schools making them aware of our school and informing them of our activities and projects. We feel it serves a very useful purpose as it helps Lyons High keep a feeling of good school spirit.

STAR STUDENT AND STAR TEACHER

Robert Brown was named the STAR STUDENT of Lyons High School. The honor is based on the academic grades for the first three years in high school, the first semester of the twelfth grade, and the score on the College Entrance Examination.

Robert chose Mr. J. H. Collins as the teacher who contributed the most to his high school education.

A fourth year on the Student Council was honored by his election as president, and he has also been class president for two years.

Robert's academic interests lie in fields of math and science.

Robert will enter the Georgia School of Technology in September.

THINGS TO BE IN '63

In '63 in the Spring of the year,
Many memorable things will happen here.
Our book of events must soon go to press--
This page we reserved to tell of the rest.
No pictures are available until too late,
But we do want your annual to be up to date.

February 7-8 . . . Some of the members of the Band will go to Statesboro to a band clinic. Those going are: Robert Alexander, Susan Clifton, Ann Odom, Catherine Stanley, Joyce Moore, Elaine Wright, Nancy Wright, Johnny Schunck, Dewey Anderson, Joe Tucker, Benny Trapnell, Prince Halligan, and David Kennedy.

February 14 . . . The Valentine Ball will be sponsored by the Beta Club. The lunchroom will be gaily decorated with hearts and cupids.

The Athletic Banquet will be held in the spring of the year. The banquet will be in honor of the Bulldogs who played football and basketball as well as the cheerleaders.

The coaches are enthusiastic about this year's track team. The team did not lose any players to graduation last year. Charles Nobles, Ray Johnson, George Moye, Larry Toole, Joe Smith, James Powell, Terry Bryson, and Junior Tootle are back with experience and vitality to make news for Lyons High.

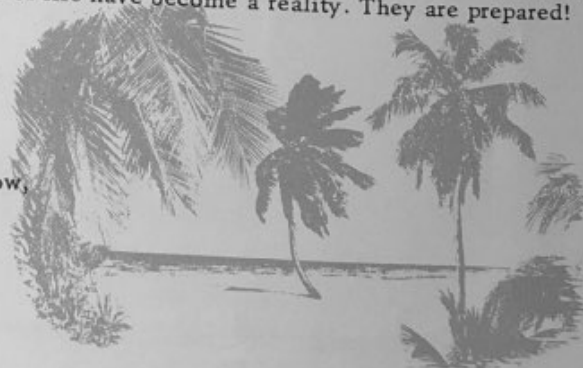

March 1-2 . . . Music Festival . . . The Redcoat Band expects to participate in the Musical Festival under the leadership of Mr. Rogers. The piano teachers are planning on taking several of their pupils to the Festival. Catherine Stanley and Lorraine Kavakos will enter in voice.

March 12 . . . Science Fair . . . The annual science fair will be held in the gym. All science students are eligible to enter a project. The fair is divided into the following classifications: Biological, Physical, Chemical, General Science, and Mathematics.

May 10 . . . Senior Week . . . Junior-Senior Reception--The Juniors have selected as their theme for the Junior-Senior Reception, "An Evening In Paris." There will be side-walk cafes and other typical Paris scenes.

May 26 . . . Begins Senior Week--The senior class has taken their last test between song practices and marching practices. The week of privilege and honor begins with the Baccalaureate Sermon on Sunday evening in the school auditorium. Pride will keep them cool in those gowns of distinction--From Monday until Thursday the notes of the Alma Mater will ring through the auditorium--The honor graduates will arrange and orate their speeches. Then on Thursday night, May 30, graduation exercises will be held. A few tears will be folded away with the cap and gown. Prayers of thanksgiving, though inaudible, will be sung by some. The challenges of life have become a reality. They are prepared! They will succeed! The trip remains.

Our Seniors have been rushing around like mad,
Selling and borrowing and hitting ole' dad,
To raise the funds for their Senior trip
All the school body was caught in the grip.
They are Nassau bound where the palm trees blow,
Where the water is blue, and the music is low.
We know all who go will surely return
An educated lot with a little sunburn.

ALMA MATER

Our strong bonds can ne'er be broken
Formed in Lyons High
For surpassing wealth unspoken
Sealed by friendship ties.

High School days at best are passing
Gliding swiftly by;
Let us pledge in word and deed
Our love for Lyons High

Chorus: Alma Mater, Alma Mater
Deep graven on each heart
Shall be found unwavering true
When we from Lyons shall part.
